“ My condolences to family & friends. Stanley & Gary, please know that you are in my thoughts and prayers. I will always remember Robin with a smile on my face. Like me, she was an animal lover. She was a kind, tender hearted person that everyone should've had the pleasure of knowing. She is loved & will be greatly missed by many.

“ I haven't seen Robin in many years. At one time we were close, she was a wonderful friend. The kindest heart most loving friend a teenage girl could ever have. She shared her kind loving heart with almost everyone she ever met. She will be greatly missed and she is greatly loved by many. So much sorrow in my heart for her family and friends.
